# UNIVERSITY OF CAMBRIDGE

Information Services

Site-licensed **software** for University staff

Free for your University and personal devices

- Microsoft 365
- Google Workspace
- Trellix antivirus

Specialist software

If you have a University-managed device, you can access lots more software. Some specialist software is also available to all staff under a University academic licence, or via other Departments.

Software sales

License **discounted software** through the University's reseller, Academia:

https://cambridge. store.academia.co.uk
