

wifi

There are
3 wifi networks
available around
the University,
Colleges, city
centre and
boathouses

[help.uis.
cam.ac.uk/
wifi](https://help.uis.cam.ac.uk/wifi)

eduroam

- The **preferred wifi network** for University staff and students
- **Set up a secure token** on your device and it will **stay connected** to the network around Cambridge
- Your eduroam token lets you **connect at other universities** worldwide that use eduroam

UniOfCam-Guest

- **Self-register** with a social media account or personal email address
- Use it to **get online while you set up eduroam** on your device
- Short-term access for Academic Visitors and conference guests

UniOfCam-IoT

- **Connect your smart devices**
- Use it for your streaming media boxes, virtual assistants, games consoles, smart speakers, printers and more...
